18. I Will Survive

Gloria Gaynor/Cake

Intro

Am Dm G C F B E E7

Verse

Am At first I was afraid, I was petrified,
Dm
G Kept thinking I could never live without you by my side.
C
F But then I spent so many nights, thinking how you did me
Bm7 wrong,
E And I grew strong; and I learned how to get along.
E7
And so you're back from outer space
I just walked in to find you here with that look upon your face,
Should have changed my fuckin' lock, I should've made you
leave your key-
If I'd have known for just one second you'd be back to bother
me.

Chorus

Oh now go, walk out the door,
Just turn around now, you're not welcome anymore.
Weren't you the one who tried to break me with desire?
Did you think I'd crumble? Did you think I'd lay down and die?
Oh not I, I will survive,
Yeah, as long as I know how to love, I know I'll be alive.
I've got all my life to live, I've got all my love to give
I will survive, I will survive, Yeah, yeah...

Verse

It took all the strength I had just not to fall apart,
I'm tryin' hard to mend the pieces of my broken heart,
And I spent oh so many nights just feelin' sorry for myself,
I used to cry, but now I hold my head up high.
And you'll see me with somebody new,
I'm not that stupid little person still in love with you.
And so you thought you'd just drop by and you expect me to
be free,
But now I'm saving all my lovin' for someone who's lovin' me,

Chorus
